

# 1<sup>ST</sup> IEEE CONFERENCE ON LEARNING DISABILITIES & ICT SUPPORT

in conjunction with the 5<sup>th</sup> IEEE CiSt 2018

21-24, October 2018, Marrakech, Morocco

5<sup>th</sup> INTERNATIONAL IEEE CONGRESS  
ON INFORMATION SCIENCES AND TECHNOLOGY  
**IEEE CiSt'18**  
MARRAKECH, MOROCCO, OCTOBER 21-24, 2018

## CALL FOR PAPERS

The 1<sup>st</sup> IEEE Conference on Learning Disabilities & ICT Support will be held in conjunction with the 5<sup>th</sup> IEEE International Congress on Information Science and Technology (IEEE CiSt'18) on October 21 – 24 2018 in Marrakech, Morocco.

This conference aims to be a multidisciplinary forum of actors from the complementary fields of education, instructional design and ICT to have a common understanding of physical disorders causing the learning disabilities, and to discuss a range of approaches dealing with these problems. The forum will focus, in particular, on issues as the development of innovative pedagogical models, appropriate training plans and adaptive digital tools to support learners and lead them to success

### Topics

We solicit submissions of original ideas and papers describing significant results and developments from both researchers and practitioners in a specific range of fields addressing the following topics:

- E-Learning tools, systems, and applications.
- Adaptive learning systems.
- Serious games.
- Pedagogical models.
- Intelligent learning systems.
- Early identification of learning disabilities.
- Learning assessment and evaluation.
- Academic assessment and remediation.
- Technological infrastructure.
- Inclusive classroom environment.
- Open educational practices.
- Learning styles and learning strategies.

### Chairs

Pr. Ahlame Begdouri, FSTF, USMBA, Fez, Morocco

Pr. Edmundo Tovar, UP de Madrid, Spain

### Paper submission

We solicit two types of submissions: full papers (4 to 6 pages) describing original works and significant scientific results, as well as showcases (up to 2 pages) reporting ongoing research or projects achieving significant results like research prototypes, products, services or applications enhancing the everyday life of disabled learners and those around them.

Prospective authors should submit by using the [online submission platform](#) using the [IEEE template](#).

### Publication

Accepted papers will be published in the proceeding and submitted to IEEE Xplore Library, Scopus and DBLP. Furthermore, Authors of high quality papers will be invited to submit an extended version of their work for publication in a special issue/section of an international journal.

### Important Dates

<b>Paper Submission:</b>	March 16, 2018
<b>Acceptance Notification:</b>	May 19, 2018
<b>Camera-ready Submission:</b>	June 15, 2018
<b>Author Registration:</b>	July 18, 2018
<b>Conference Dates:</b>	October 21-24, 2018
